2022 MEMBER RECIPROCAL COURSE GUIDE

2022 PARTICIPATING COURSE LIST

YOUR GUIDE TO THE RECIPROCAL COURSES 2022 GOLF SEASON

With your 2022 Membership, you receive playing privileges at our Traditions courses (The Golf Club at Camelot, West Bend Lakes and Horicon Hills Golf Club) – THREE great courses for the price of one!

If that isn't enough, you will have the ability to play at approximately 12 area courses participating in our new and improved reciprocal program. These "partner" courses can be enjoyed for a reduced rate for 18 holes with a cart! This year, we are offering access to some of the most desirable courses in the state, many without tee time restrictions. Please follow any course guidelines and observe all booking rules listed in this course guide.

This unique membership benefit takes time and effort to develop. The golf professionals and club managers involved have agreed to offer this opportunity with the understanding that all Horicon Hills, West Bend Lakes, and Camelot Members will respect the rules and display proper etiquette at all participating facilities.

LET'S HAVE A GREAT 2022 SEASON!
